Recycle, Michigan was developed to raise awareness of and participation in recycling programs across the state. It is a proclamation and a reminder that recycling contributes to the quality of life we value, the jobs and economy we grow, and the natural resources we strive to conserve and protect.

Any community, business, or nonprofit can be a Recycle, Michigan Partner, if they meet the following criteria:

1. Have an Environmental Board, Department, Director, or Staff
2. Demonstrate continuous improvement of their recycling program
3. Provide ongoing recycling educational opportunities and utilize the Recycle, Michigan campaign in outreach efforts
4. Advocate for expanding recycling programming in Michigan
